

UAS (Drones) Public Safety Training

June 24 – June 27, 8 AM - 5 PM

Marple Twp. Police Dept
Broomal, PA

This four-day course will provide a turn-key solution for starting an Unmanned Aircraft Systems Unit for any Public Safety Department. Students will prepare for the FAA Part 107 Remote Pilot Exam, setup and operate a drone, perform tactical operations, and return to the department to hit the ground running. No previous experience or drone required. The drone is a crucial tool for every public safety department.
